**INTERNATIONAL JOURNAL OF APPLIED
MATHEMATICS AND COMPUTING
VOLUME 1 NO. JANUARY 1, 2024**

FOCUS AND SCOPE OF THE JOURNAL

International Journal of Applied Mathematics and Computing. This journal is published by the Indonesian Mathematics and Science Research Association. This Journal accepts manuscripts based on empirical research, both quantitative and qualitative. This journal is a peer-reviewed and open access journal of Mathematics and Computing. The fields of study in this journal include the sub-family of Mathematics and Computing. This journal is published 1 year 4 times (January, April, July and October)

Articles published in the International Journal of Applied Mathematics and Computing include original scientific research results (top priority), new scientific review articles (not priority), or comments or criticism of existing papers. The International Journal of Applied Mathematics and Computing accepts manuscripts or articles in the fields of Mathematics and Computing, and Natural Sciences published by the International Journal of Applied Mathematics and Computing, from various academic circles and researchers, both national and international.

The articles published in the journal are articles that have gone through a review process by Mitra Bebestari (peer-reviewers). The International Journal of Applied Mathematics and Computing publication published by the Indonesian Mathematics and Science Research Association only accepts articles originating from original research results (top priority), and new scientific review articles (not priority). The decision whether or not to accept a scientific article in this journal is the right of the Editorial Board based on recommendations from Mitra Bebestari.

JOURNAL INDEXATION INFORMATION

International Journal of Applied Mathematics and Computing; with E-ISSN: XXXX-XXXX, P-ISSN: XXXX-XXXX <https://international.arimsi.or.id/index.php/IJAMC> is a peer-reviewed journal which plans to be indexed in several reputable indexers, including: Google Scholar; Digital Reference Guard (GARUDA), Directory of Open Access Journal (DOAJ).

FOKUS DAN RUANG LINGKUP JURNAL

International Journal of Applied Mathematics and Computing. This journal is published by the Indonesian Mathematics and Science Research Association. This Journal accepts manuscripts based on empirical research, both quantitative and qualitative. This journal is a peer-reviewed and open access journal of Mathematics and Computing. The fields of study in this journal include the sub-family of Mathematics and Computing. This journal is published 1 year 4 times (January, April, July and October)

International Journal of Applied Mathematics and Computing Publishes The Only Paper That Strictly Follows Guidelines And Templates For Manuscript Preparation. All submitted manuscripts will go through a double-blind peer review process. The paper is read by members of the editorial team (according to the area of specialization) and will be screened by the managing editor to meet the criteria required for publication. Manuscripts will be sent to two reviewers based on their historical experience in reviewing manuscripts or based on their areas of specialization. The International Journal of Applied Mathematics and Computing Has Reviewed the Form to Keep the Same Items Reviewed by Two Reviewers. Then the Editorial Board Makes a Decision Based on the Reviewers' Comments or Suggestions.

Reviewers provide assessments of originality, clarity of presentation, contribution to the field/science. This journal publishes research articles, review articles/literature studies, case reports and concept or policy articles in all fields of mathematics and computing. The articles that will be published are original works and have never been published. Incoming articles will be reviewed by a team of internal and external reviewers.

The Editorial Board will continue to strive to improve the quality of the journal so that it can become an important reference in the development of science. Deepest appreciation and thanks to Mitra Bestari, members of the editorial board and all parties involved in publishing this journal.

Regards,

Chief Editor
